Units Required for Degree

University and Major GPA

General Education Requirements

Completed degree requirements are indicated using blue text and "OK" at the beginning of the section.

Outstanding requirements needed to graduate are indicated with red text and "No" at the beginning of the section.

Courses with a 5-digit code indicate the year and semester.

Codes ending in 1 - Spring, 2 - Summer, 3 - Fall. Examples can be found in the legend.

The Degree Progress Advisement report has been prepared to assist you in determining your academic progress at the University of Southern California. Although efforts have been made to ensure its accuracy, the student is responsible for the completion of all graduation requirements.

If this report does not appear to be accurate, please contact your academic advisor, and bring this report with you. The Office of Academic Records and Registrar along with your major department will certify your successful completion of degree requirements.

Any exceptions (i.e., course substitutions, waivers, recitals, etc.) you have had approved for your major should appear on your STARS report. If you believe an error exists on your STARS report, please consult with your academic advisor.
